## Summary

A dedicated and motivated Computer Science student with strong expertise in Java, SQL, and database management. Proven ability to collaborate in teams, adapt to new technologies, and apply problem-solving skills to real-world projects. Demonstrated success in developing web applications, optimizing SQL queries, and completing projects in competitive programming environments. Actively seeking opportunities to contribute and grow in software development through internships and collaborative projects.

## Education

**Gokaraju Rangaraju Institute of Engineering and Technology**, Hyderabad, Telangana, India  
Bachelor of Technology - BTech, Computer Science (October 2022 - July 2026)

CGPA: 9.3

**Narayana Junior College**, India

Intermediate, MPC (August 2020 - March 2022)

Grade: 97.6%

## Experience

### NSS GRIET

Student Volunteer (July 2024 - Present)

- Engaged in social service activities promoting community development.

### GDSC (Google Developer Student Club)

Student (November 2023 - Present)

- Participated in various coding and development activities.

### VIVITSU Hackathon

Participant (2024)

- Collaborated in a team to develop innovative software solutions within a 24-hour timeframe.

### AWS Cloud Virtual Internship

Completed

- Gained experience in cloud technologies and solutions, including hands-on labs on AWS services.

## Projects

### EduConnect

- Developed a web application that facilitates communication between students and teachers.

### Small Web Page (GitHub)

- Designed and developed a small web page using HTML, CSS, and JavaScript. GitHub Link

### Bank Management System

- Created a database management system for a bank, focusing on handling customer data efficiently.

## Skills

- **Programming Languages:** Java, C
- **Web Development:** HTML, CSS
- **Databases:** MySQL, SQL Query Optimization
- **Tools and Services:** VS-Code
- **Soft Skills:** Communication, Teamwork, Adaptability

## **Certifications**

- SQL (Basic) - HackerRank
- AWS Academy Cloud Foundations - AWS Academy Graduate
- TCS iON Career Edge - Young Professional

## **Achievements**

- Achieved certification in the fundamentals of SQL through HackerRank
- Maintained a LeetCode rating of 1346
- Solved 400+ problems across platforms
- Maintained a CodeChef rating of 1118

## **Coding Profiles**

- HackerRank
- CodeChef
- LeetCode
